

The FSCA warns the public against Serene Financial Services' false statement claiming they are a juristic representative of Legacy Risk Consult (Pty) Ltd

The Financial Sector Conduct Authority (FSCA) warns the public against doing any financial services related business with Serene Financial Services (Serene). Serene state in their website that they are a juristic representative of Legacy Risk Consult (Pty) Ltd, an authorised Financial Services Provider (FSP Number: 45536). Serene also claims to sell policies which are underwritten by African Unity Life Ltd, an authorised Long-Term insurer.

Serene is neither a juristic representative of Legacy Risk Consult (Pty) Ltd nor authorised as a Financial Services Provider by the FSCA to render financial services to the public. Legacy Risk Consult (Pty) Ltd has confirmed that Serene is not a juristic representative of theirs.

Furthermore, Serene Financial Services CC, an authorised Financial Services Provider (FSP Number: 51559), has confirmed that it is not associated with Serene and the website www.serenefs.co.za does not belong to them.

Members of the public can check whether an entity or individual is authorised to provide a specific financial product, financial service or financial advice by contacting the FSCA as follows:
