**FSCA warns the public against Davids Community Funeral Services (Pty) Ltd.**

The Financial Sector Conduct Authority (FSCA) warns the public to be cautious when conducting financial services and insurance business with Davids Community Funeral Services (Pty) Ltd (Davids Community Funerals) and Mr. Endrico Davids (Mr. Endrico).

The FSCA received a complaint that Mr. Endrico and Davids Community Funerals may be issuing insurance policies to members of the public which are possibly not underwritten by an authorised long-term insurer. The FSCA found that Davids Community Funerals is not authorised in terms of the Financial Advisory and Intermediary Services Act, 2002 (FAIS Act), to render financial advisory and intermediary services.

The FSCA attempted to contact Mr. Endrico without success. Without commenting on the business of Mr. Endrico and Davids Community Funerals or their products and services, the FSCA points out that for a company to issue insurance policies in South Africa, it must be authorised by FSCA and the Prudential Authority (the PA).

Conducting financial services business or insurance business without a license is a criminal offence. Mr. Endrico and Davids Community Funerals are not authorised and does not hold any license from the FSCA and/or the PA to conduct financial services and/or insurance business.

Members of the public should always check:

- that an entity or individual is authorised by the FSCA and the PA to provide financial products and services and/or insurance policies.
- what class of insurance business an entity is authorised to conduct.

One of the following methods may be used to confirm the status and FSP number of a service provider or a person that claims to be an authorised service provider:
