FSCA issues public warning against Mr Kobus Venter and Kobus Venter Wealth Planning

The Financial Sector Conduct Authority (FSCA) warns the public to exercise caution when conducting financial services business with Mr Kobus Venter and Kobus Venter Wealth Planning. The FSCA received information that Mr Kobus Venter and Kobus Venter Wealth Planning are soliciting funds from members of the public for trading purposes.

Without commenting on the business of Mr Kobus Venter and Kobus Venter Wealth Planning, the FSCA confirms that Mr Kobus Venter and Kobus Venter Wealth Planning are not authorised by it to provide financial services to members of the public. The FSCA was unable to reach Mr Kobus Venter and Kobus Venter Wealth Planning on the contact details provided to it.

To avoid unnecessary risk, the public should not accept financial advice, assistance, or investment offers from individuals or entities that are not authorised by the FSCA. Authorised financial services providers must clearly display their authorisation status in their documentation. If this is not present, it is advised to further investigate before making any payments.

The public is strongly urged to exercise caution when considering unsolicited investment or trading offers, especially those communicated through social media. The public is urged to act with care when investing their funds. There are many fraudsters operating scams and the number is growing. South Africans lose millions of rands every year to fraudsters. Illegal operations are sometimes well-disguised as legitimate operations. The public is advised to be on the lookout for certain tell-tale danger signs when approached by persons offering attractive investment opportunities. These red flags include:

- Unrealistic or exaggerated returns
- Offers made on social media platforms

Executive Committee:

Commissioner: U. Kamlana | **Deputy Commissioners:** A. Ludin | K. Gibson | F. Badat

- Requirements to pay for services upfront
- Requirements to pay more money to have your investments returned
- Requirements to pay for training
- Claims that you must act and pay urgently i.e. creating a sense of urgency
- Vague information about the investment product.
