FSCA issues public warning against Mr Neo Nkoko

The Financial Sector Conduct Authority (FSCA) warns the public to exercise caution when conducting financial services business with Mr Neo Nkoko (Mr Nkoko).

The FSCA received information that Mr Nkoko is soliciting funds from members of the public for investment purposes. Mr Nkoko is reportedly offering forex trading opportunities to members of the public. Members of the public are encouraged to deposit funds into Mr Nkoko's bank account, after which, he stops communicating with investors.

The FSCA confirms that Mr Nkoko is not authorised in terms of any financial sector law to provide financial services to members of the public. Mr Nkoko failed to respond to FSCA enquiries.

To avoid unnecessary risk, the public should refrain from accepting financial advice, assistance, or investment offers from individuals or entities not authorised by the FSCA. Authorised financial services providers must clearly display their authorisation status in their documentation. If this is not present, it is advised to further investigate before making any payments.

The public is strongly urged to exercise caution when considering investment or trading offers on social media or any unsolicited offers.

It is highly recommended that the public verify:

- that an entity or individual is authorised by the FSCA to provide financial products and services, including for giving recommendations about how to invest.
- what category of advice the person is registered to provide, as there are instances where companies or people are registered to provide basic advice for a low-risk product and then offer advice on far more complex and risky products.
- that the FSP number utilised by the entity or individual offering financial services

Executive Committee:

Commissioner: U. Kamlana | **Deputy Commissioners:** A. Ludin | K. Gibson | F. Badat
