FSCA clarifies position on KwaZulu-Natal CoGTA Pension Fund for Amakhosi

The FSCA has noted recent media reports regarding the establishment of a **KwaZulu-Natal CoGTA Pension Fund for Amakhosi**. The reports suggest that the FSCA has approved the registration of this fund.

The Authority wishes to clarify that it **has not received any application** for the registration of this pension fund, nor has it reviewed or approved any such application.

However, the FSCA can confirm that **Amakhosi Wealth Management (Pty) Ltd (FSP 55036)** was authorised on **21 August 2025** to provide financial services in respect of the following product categories:

- **Long-term Insurance: Subcategory A**
- **Friendly Society Benefits**

The FSCA cautions the public to verify information relating to registered pension funds or licensed financial services providers through its official website (www.fsca.co.za). The Authority encourages all stakeholders to rely only on verified and official communication from the FSCA regarding the licensing or registration status of any entity.
