CHAPTER 3

Conditions for approval under section 65(1) of the Act

4. General conditions

- (1) An operator and foreign scheme must be authorised and supervised by a foreign regulator which has a regulatory framework equivalent to the regulatory framework established under the Act.
- (2) The foreign scheme in which the applicant intends to solicit investments in the Republic must be -
 - (a) available for investment by members of the public in its domicile of registration; and
 - (b) promoted in the Republic to the same type of investors under the same or substantially similar requirements and conditions relating to the type of investors as in its domicile of registration.
- (3) The applicant may only solicit investments for the foreign scheme from members of the public in the Republic in relation to portfolios of the foreign scheme that the Authority has approved for solicitation purposes.
- (4) The applicant must satisfy the Authority, that on an ongoing basis –
 - (a) the operator will organise and control the foreign scheme in a responsible manner;
 - (b) solicitation of investments in the foreign scheme will not be contrary to the interests of investors, potential investors, the financial sector or the public interest;
 - (c) the foreign scheme is sufficiently liquid to meet investor redemptions fully at its earliest redemption period;
 - (d) the foreign scheme does redemptions at regular intervals;

- (e) the foreign scheme does not permit investment in an instrument that compels the acceptance of physical delivery of a commodity and the foreign scheme particulars or prospectus prohibits it from accepting physical delivery;
 - (f) the assets of investors are properly protected by application of the principle of segregation and identification;
 - (g) the foreign scheme does not lend or advance any money, except that the foreign scheme may lend or offer to lend assets included in the foreign scheme in the manner, within the limits or on the conditions determined in the founding document or the instruments of incorporation, or the prospectus;
 - (h) the investments that a foreign scheme proposes to offer for sale in the Republic have a risk profile which is not significantly higher when compared to the risk profile of similar investment in participatory interests offered for sale in the Republic by managers registered under the Act;
 - (i) the liquidity of the securities of the foreign scheme will not compromise the liquidity terms of the scheme; and
 - (j) the structure of the foreign scheme is one which is allowable in the Republic under the Act.
- (5) Without limiting the generality of paragraph 4(4)(b), in determining whether the solicitation of investments in the foreign scheme may be contrary to the interests of investors, potential investors, the financial sector or the public interest, the Authority will consider the manner and extent to which the following is used appropriately by the foreign scheme:
- (a) Investments in unlisted securities, commodities exchange traded portfolios and index-based derivatives and property securities and REITS, as permitted in the relevant foreign jurisdiction;
 - (b) diversification limits for transferable securities in actively managed portfolios and foreign schemes replicating an index, government and public securities, collective investment schemes, deposits and derivatives;
 - (c) concentration limits for foreign schemes, equities, debt or money market instruments;
 - (d) the purpose and market gearing for the use of derivatives, counter-party exposure to over-the-counter derivatives, counter-party exposure to transferable securities and overall counterparty exposure;
 - (e) financial derivative instruments, where used for investment purposes or efficient portfolio management;
 - (f) an investment strategy which is associated with hedge funds including long/short, market neutral, fixed income arbitrage, option strategies or statistical arbitrage;
 - (g) hedge fund index portfolios;
 - (h) complex debt instruments;
 - (i) financial derivative instruments or structures/ strategies which are complex or of exotic composition;
 - (j) structured products which include any combination of (a) to (i); and
 - (k) investment in other schemes that include any combination of (a) to (i).
- (6) An operator¹ or representative office may not make a statement or disseminate information which the operator or the representative office ought reasonably to know is false, or misleading or is likely or intended to -
- (a) induce members of the public to purchase or deal with a participatory interest;

¹ Including its representative office as referred to in paragraph 6(1) and 6(2).

- (b) conceal material information; or
 - (c) have the effect of inflating, depressing or maintaining the price of a participatory interest.
- (7) The operator must avoid, and where this is not possible, mitigate and disclose any conflict between the interests of the operator and the interests of an investor.
 - (8) The applicant must maintain an open and co-operative relationship with the Authority and promptly inform the Authority about anything that might reasonably be expected to be disclosed to the Authority.
 - (9) The operator must comply with any additional conditions the Authority determines under section 65(1) of the Act as part of the application for approval, which conditions may be based on nature and type of category of the scheme, or portfolios under the scheme, and the target market of the scheme or portfolios.
 - (10) If the operator at any time amends the document or prospectus of any portfolio contemplated in paragraph 3(1)(m) and the amendment materially affects investors or the approval in terms of section 65 of the Act, the operator may only continue soliciting investments in respect of that portfolio if the Authority so confirms, subject to additional conditions determined by the Authority, if relevant.

5. Conditions in respect of representative office and representative agreement

- (1) The operator must enter into a representative agreement with a -
 - (a) representative office established in the Republic; or
 - (b) manager registered under the Act.
- (2) If an operator establishes a representative office as contemplated in subparagraph (1)(a), such representative office must maintain paid-up share capital and reserves of no less than R2 million.
- (3) The paid-up share capital and reserves contemplated in subparagraph (2) must be ring-fenced and may only be applied to the business and the purposes of the foreign scheme.
- (4) The operator must ensure that the auditor of its representative office annually certifies to the Authority, no later than three months after the financial year-end of the representative office, that the operator has complied with subparagraph (2).
- (5) A representative agreement referred to in subparagraph (1) must contain –
 - (a) an undertaking by the operator that it will comply with the provisions of section 65 of the Act and this Determination;
 - (b) an undertaking by the representative office or manager, as relevant, to use its reasonable endeavours to ensure compliance by the operator with the provisions of section 65 and this Determination;
 - (c) an undertaking by the representative office or manager, as relevant, to compensate the investor for any loss suffered which is attributable directly to non-compliance by the operator with the provisions of section 65 or this Determination, provided the investor has no other recourse or legal remedy against the operator;
 - (d) an undertaking by the operator to compensate the representative office or manager, as the case may be, for any compensation the representative office or local manager provided in accordance with item (c);
 - (e) a provision stating that if the representative agreement is cancelled, the –

- (i) representative office or local manager, as the case may be, will timeously notify the Authority, in writing, of the cancellation; and
 - (ii) operator will immediately cease the solicitation of investment in the scheme concerned;
- (f) a provision stating that if the representative agreement is amended, the representative office or manager, as the case may be, will notify the Authority, in writing, within 14 days of the amendment taking place and include details of the amendment in the notification; and
- (g) a provision stating that if the representative office is discontinued, the –
 - (i) person designated for the purposes of section 33(3) of the Companies Act will timeously notify the Authority in writing of such discontinuation; and
 - (ii) operator will immediately cease the solicitation of investment in the foreign scheme concerned.

6. Conditions relating to misleading names and acts

- (1) The operator may not, prior to approval in terms of section 65, include in or have part of the name of its business or in any description of its business any reference to a scheme approved under section 65, without the approval of the Authority.
- (2) Prior to approval in terms of section 65, the operator may not perform any act to lead the public to believe that it has been approved to solicit investments in the scheme from the members of the public in the Republic.

7. Conditions relating to prohibited investment and borrowing

- (1) The applicant may not utilise any of the following investment strategies or approaches, or invest in the following assets or instruments in respect of and on behalf of its foreign scheme:
 - (a) Uncovered short selling; or
 - (b) a synthetic portfolio or synthetic exchange-traded fund that create synthetic exposure for an investor, excluding where such portfolio or fund is only promoted to any investor that is a “qualified investor” as defined in Board Notice 52 of 2015.²
- (2) An operator may not for the account of a portfolio borrow money other than for the purposes and subject to the limits and conditions determined in the deed or prospectus.

8. Conditions relating to change of foreign scheme

If a foreign scheme changes, the operator must –

- (a) notify the Authority in writing within 30 days of the change being effected; and
- (b) apply for approval within three months of that change being effected, where such change relates to the requirements under paragraphs 4(1) to 4(3) and 5 of this Determination.

9. Conditions relating to suspension of redemption of participatory interests

The operator must immediately notify the Authority if it, at any time, suspends the repurchase of participatory interests, unless the suspension is a scheduled suspension of which investors are notified in the ordinary course of business.

² As published in *Government Gazette* No. 38540 on 6 March 2015.

10. Conditions relating to advertising, marketing and information disclosure

When soliciting investments from members of the public in the Republic, the operator must comply with the applicable advertising, marketing and information disclosure requirements in Board Notice 92 of 2014 and paragraph 27 of Board Notice 52 of 2015, as may be amended or replaced from time to time.

11. Conditions relating to submission of quarterly statistics

The operator, must within 30 days after the end of each calendar quarter, submit the assets under management on behalf of South African investors to the Authority in respect of the foreign scheme and each portfolio thereof, in the manner determined by the Authority on its website.
