Introduction

- 4.1 Listings and/or additional listings are granted subject to compliance with the Listings Requirements and approval by the JSE.
- 4.2 All applications for listing are to be submitted to the JSE through a sponsor.

Discretion of the JSE

- 4.3 It must be emphasised that, notwithstanding these requirements, the JSE may, in its overriding discretion, grant a listing to an applicant that does not meet the requirements set out below or refuse a listing to an applicant that does comply with these Listings Requirements, on the grounds that, in the JSE's opinion, the grant or refusal of the listing is in the interests of the investing public. Applicants that wish to apply for a listing, but which do not meet all of the objective criteria prescribed by these Listings Requirements for the grant of a listing are therefore invited to discuss their intended applications with the JSE.
- 4.4 Where unusual features exist with regard to the applicant itself, the JSE must be consulted by the sponsor to discuss such features at the earliest possible date, as well as any rulings required from the JSE.
- 4.5 Applicants are required to submit to the JSE, at an early date, any matter or unusual feature pertaining to the listing, or listing application/documentation, not specifically provided for in, or in conflict with, the Listings Requirements.

Conditions applicable to all markets

Applicant to be duly incorporated

- 4.6 The applicant must be duly incorporated or otherwise validly established

under the law of the country of incorporation or establishment, and must be operating in conformity with its MOI or relevant constitutional documents, if not South African, and all laws of its country of incorporation or establishment.

The applicant must ensure that each of the directors is free of any conflict of interest between the director's duties to the company and his private interests

Listing of subsidiary companies or assets

- 4.11 When, in connection with the listing of a subsidiary company, a listed holding company intends making an offer of securities in such subsidiary; or the subsidiary intends issuing shares for cash to persons other than wholly owned entities within the listed holding company's group; or the subsidiary has an offer for subscription by way of a rights offer, the offer/issue/rights offer must be categorised in accordance with the provisions of Section 9. Any shares that are renounced by the listed holding company to its shareholders need not be categorised in accordance with Section 9.
- 4.12 The JSE must be consulted in order to provide a ruling in principle, before any listed company intends to list a subsidiary company, or any of its group assets, or when it is aware that another party intends to list certain of the listed company's assets subsequent to a disposal of such assets by the listed company.

- 4.13 The following requirements relate to the preparation and disclosure of financial information:

- 4.17 As provided for in Schedule 10 paragraph 2 the securities for which listing is sought must be fully paid up and, unless otherwise required by statute or at the discretion of the JSE (taking into account the objects of the FMA), be freely transferable. Notwithstanding the provisions of Section 40(5) of the Act, the JSE will not list shares that are not fully paid for upon listing. An applicant issuer that is proposing any form of restricted transferability must consult the JSE at an early stage in order to discuss the details of the restriction and must further obtain a ruling from the JSE whether it will apply its discretion.

Low and high voting securities

- 4.18 Subject to paragraph 4.47, the JSE will not allow a listed company to issue low or high voting securities.
- 4.19 Where a company currently has listed low or high voting securities prior to the incorporation of weighted voting shares in the Listings Requirements, the JSE will grant a listing of additional securities of that class.

Public shareholders

4.25 For the purposes of paragraph 4.28(e), securities will not be regarded as being held by the public if they are beneficially held, whether directly or indirectly, by:
